## It is understood that even though protective equipment is worn by the athlete, whenever needed, the possibility of an accident still remains. Neither **TAPPS** not the school assumes any responsibility in case an accident occurs.

If, in the judgment of any representative of the school, the above student should need immediate care and treatment as a result of injury, or sickness, I do hereby request, authorize, and consent to such care and treatment as may be given said student by an physician, athletic trainer, nurse or school representative. I do hereby agree to indemnify and save harmless the school and any school or hospital representative from any claim by any person on account of such care and treatment of said student.

If, between this date and the beginning of athletic competition, any illness or injury should occur that may limit this student's participation, I agree to notify the school authorities of such illness or injury.

I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct. Failure to provide truthful responses could subject the student in question to penalties by the Texas Association of Private and Parochial Schools (TAPPS).
