

# Town East Christian School

---

July 21, 2009

Dear Parents,

Just a few notes to bring you up to date. Looks like we'll start the school year with around 140 students. Half of those are in the Junior High & High School. This is one of our largest student bodies yet. Please pray as we continue to grow.

Remember, sixth grade girls are required to wear the Junior High (Middle School) skirt. The skirt is available at FrenchToast.com. Krystal Lacels apparently has gone out of business, however the high school skirt can be purchased at FrenchToast also. If you are having problems with sizes contact the office.

There is a Parent Orientation on Monday, August 17th at 7:00 PM at the Hwy. 87 Campus. Please make sure at least one parent is at this very important meeting. School begins on Wednesday, August 19th.

There is an Extended Day School (after school) form on our web site that needs to be completed before school begins for those interested in this program. Make sure the office has the form on file by the first day of school. All forms on the web site are current. Please drop by the office if Internet access is not available.

Keep in mind we don't normally bill unless the account is delinquent. *The August payment is due on August 1st.* Accounts must be current before students are allowed to start school.

Again I say, please pray for the Administration, Teachers and Students as we venture into another school year. We covet and need your prayers.

Respectfully,

Mr. King
