

STANDARDS OF CONDUCT

Town East Christian School holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. Spiritual growth is an essential process and is carried on throughout the believer's life by the Holy Spirit. His goal is to conform us into the very image of Jesus Christ. The Holy Spirit makes the true believer conscious of the biblical demands for a holy life which fulfills God's moral law and His higher law of love. The result is a life consecrated unto God and separated from the world. Romans 8:29; Romans 12:2; Matthew 22:37; Romans 13:8-10; Galatians 5:14.

Town East Christian School must provide an environment conducive to the Spiritual growth and development of our students. In order to provide such an environment, our standard of conduct is based on the following biblical imperatives. All of the activities of the believer must be subordinated to the glory of God who lives within us. The believer will endeavor to avoid practices which cause the loss of sensitivity to his spiritual needs and worldly practices which are detrimental to his own physical, mental, or spiritual well-being. I Corinthians 8:9; 9:27; 10:13; 10:29-32.

A sense of the need for spiritual growth in the light of these principles has led Town East Christian School to adopt the following standards which it is believed are conducive to the environment that will best promote the spiritual welfare of the student. The School, therefore requires each student:

Whether at home, school or elsewhere

1. To refrain from swearing, using indecent language, using tobacco in any form, drinking of any kind of alcoholic beverages, the use of non-prescribed drugs, gambling, involvement in certain concerts (those that dishonor our Lord Jesus Christ or disrespect God-ordained authority).
2. To maintain biblical standards (suitable to a believer) in courtesy, kindness, and morality. Such morality would include - though not limited to - abstaining from involvement in any deviation from biblical morality, such as: fornication, homosexuality, pornography, etc.
3. To use the Internet in a manner consistent with standards set forth by Town East Christian School. Students who in the opinion of the administration post inappropriate material online will be expelled immediately.
4. To appreciate the standards of the school and not tolerate profanity, obscenity in word or action, dishonor to our Lord Jesus Christ or to the Word of God, or disrespect to the school staff. To agree to support regulations published in the Student Handbook

Students are expected to abide by these standards throughout their enrollment whether at home, school, or elsewhere. Students found to be out of harmony with the Town East Christian School ideals of work and life may be invited to withdraw or in some cases expelled. In this atmosphere

of definite and positive Christian standards of conduct, good scholastic planning, and genuine personal interest between faculty and student, there is fine opportunity for development of strong Christian character. The development of strong Christian character is the standard of excellence to which we are committed.

The student and parents must voluntarily agree to honor and consciously obey the rules and standards of Town East Christian School in action and/or attitude or the student will be under obligation to withdraw.
